

New streamlined design, same proven protection.

Injector Luer Lock N35

The same safe, dependable Injector you've come to trust from PhaSeal now features a new ergonomic design. A simple turn-key motion, built-in locking mechanism, secure grip and easy access connection make it quick and easy to use while its passive safety technology allows you to work with confidence. Just push, turn, push – and you have a safe, leakproof connection.

It's that simple.
